

# Risk Assessment

Equipment / activity: Spin The Wheel

Date: 01/01/2025 - 31/12/2025

Hazard	Who is at risk?	Possible effects/harm	Likelihood (high, medium, low)	Evaluation & Control Measures	Revised risk rating (high, medium, low)	Are there adequate control measures in place?
<b>Loading, handling and transportation of equipment</b>	Operator, spectator	Injury	Low	All staff to be trained in manual handling. Manual handling to be reduced to a minimum by use of trollies/lifts. Loads to be properly secured. Where required, multiple persons must handle equipment.	Low	Yes
<b>Installation of equipment on site</b>	Operator, spectator, participants	Injury to operator, spectators or participants. Damage to venue.	Low	Operator must have clear, unhindered access to the setup area. Setup area to be clear and free from debris. Pre setup checks on equipment to check for damage. Equipment to be set up away from sources of water.	Low	Yes

<b>Ground type</b>	Operator, spectator, participants	Injury to operator, spectators or participants.	Low	Equipment to be installed and operated on a hard standing	Low	Yes
<b>Operation of equipment on site</b>	Spectator, participants	Injury to operator, spectators or participants.	Low	Spectators not allowed in the operational area whilst someone is participating. Spectators to be kept at a distance from the equipment and not allowed to sit/rest, or interfere with the equipment in any way.	Low	Yes
<b>Misuse of equipment</b>	Participants	Strain or sprain injury to participants.  Equipment could fall over.  Tripping over the base.	Low	Care should be taken when spinning the wheel not to over exert to avoid injury.  Participants should not try to interfere with the wheel while it is spinning.  Care should be taken when walking up to, and using the equipment not to trip on the base of the equipment.	Low	Yes

<b>User safety</b>	Organiser, spectator, participants	Injury to organiser, spectators or participants.	Low	Any participants under the influence of alcohol/ drugs to the extent where they are posing a risk to spectators or themselves should not be allowed to participate. Children to be supervised by an adult at all times. Maximum of 1 user per game is permitted. Participants should be aware of their own physical ability to take part and not take part if suffering from any pre-existing medical conditions that could be exacerbated by the activity.	Low	Yes
<b>Heat</b>	Organiser, spectator, participants	Injury to spectators or participants.	Low	The equipment should not be set up near any sources of heat or naked flames.	Low	Yes

## Risk rating

### High

For example:

- fatality possible to one or more individuals however infrequent
- major injury to few individuals occurring frequently
- likelihood of long term muscular-skeletal problems affecting significant numbers of staff  
**Immediate action required**

### Medium

For example:

- major injury to one/few individuals occurring infrequently
- likelihood of long term muscular-skeletal problems affecting some staff. Requires attention as soon as possible

### Low

For example:

- minor injury occurring infrequently to few staff.  
Not a priority, may need attention if not as low as reasonably practicable.
